

**Directions to:
LOST ACRES
Wildlife Action, Inc.
Upstate Chapter
127 Halibut Lane
Spartanburg, SC 29303**

From I-85 you will exit onto I-26 West toward Asheville. From I-26 you will take Exit No. 17 (New Cut Road). At the top of the exit ramp turn LEFT onto New Cut Road toward Spartanburg Expo Center (the old Waccamaw Outlet Mall) but go past the Spartanburg Expo entrance just a very short distance and turn LEFT onto Campground Road which is across from Burger King. When you come to the stop sign at North Blackstock Road, go straight across North Blackstock Road, staying on Campground Road. Turn LEFT at third street which is Springwater. Go to top of hill and turn RIGHT onto Halibut Lane, then straight down Halibut to the cul-de-sac. The entrance to Lost Acres is straight ahead through the cul-de-sac. The driveway makes a circle and there are several parking spaces on each side of the driveway to accommodate cars or vans. Buses should park out on the cul-de-sac.

NOTE: If you happen to miss your left turn onto Campground Road, you can go to the intersection of North Blackstock Road and New Cut Road and turn left on North Blackstock. Then when you come to Campground Road, turn right and follow the above directions to Springwater.
