

# JOIN US, WON'T YOU!

Since 1992, the volunteers from the Upstate Chapter have met monthly to discuss our community's needs and the contributions we can make. Following WLA's "5 Point Law," which is based on the principles of Preservation, Conservation, Education, Sportsmanship, and Fellowship. Our committees and members have designed projects and programs to actively "give back more than we receive." In the past 19 years, we have shared these principles with OVER 20,000 youth from Spartanburg and surrounding counties in education projects, and formed many community partnerships with other local non-profit organizations and groups.

We are also an active outreach group, sensing and fulfilling the needs expressed by neighboring communities and states. Following the Katrina disaster, many of our members traveled to the Gulf Coast and New Orleans with their churches to work on restoration of homes. We also have a yearly successful WLA Upstate education project in Metairie, Louisiana for Brownie Scouts and their families.

Our meetings are held on the second Monday of each month. Newsletters are mailed monthly with details of meetings, upcoming events, articles of interest, and general news. We welcome you to become a member of our group.
